Trial Discount: Squak Art Studio offers one trial class to prospective students at a 50% discount from the normal price of a single class (i.e. **1 hour - \$13 | 2 hours - \$25 | 3 hours - \$36**). During this class, students will draw from prepared, age-appropriate sample lessons and explore basic art skills and concepts. Introductory class credit must be used in a single class period during the session in which it was purchased. These credits are limited to one per new student.

Family Discount: We know the value of sharing art with others, and we offer discounts to encourage it. Family members who are paid for jointly will receive a **5% discount** on their class and camp tuition. Use the promo code ***family5*** while checking out in the online store.

Referral Discount: When a current student refers a friend who enrolls in four classes/camp days or more, both the new student and the student who referred them will receive a \$20 discount on their next tuition. Discounts cannot be combined with coupons or gift certificates.

Early Enrollment Discount: Save big by reserving your class or camp seat in advance! If you pay 1 month before your session begins (i.e. Spring, Summer, Fall, and Winter), then your tuition will be discounted 10%. Early enrollment discounts are automatically deducted from online purchases.

Notice: *Multiple discounts, promo codes, offers and coupons cannot be combined in a single tuition payment, except in combination with early enrollment discounts. Prices are subject to change.*
